After Film Selection

**Q. When will I know my film has been selected?**

A. The selected films will be announced on the Taiwan Cinefest website on 5<sup>th</sup> May 2012.

**Q. My film has been selected....now what should happen?**

A. Congratulations your film has been selected . It will now be screened at the festival. Festival organisers will be in contact with you to confirm details and ensure we have all relevant publicity materials.

**Q. Should we send 35mm or a DVD?**

The festival will take place in multiple locations and uses a mixture of cinemas and smaller studios for exhibiting the films. Therefore, not all screenings will have the facility for 35mm projection so we ask that in the first instance we have a DVD of the film.

**Q. Will the Director, Producers or Actors be invited to the festival?**

A. We extend an open invitation to all directors, producers, actors and distributors of films shown at the festival to attend and take part in panel discussion and events as our guest. Unfortunately, we are unable to pay for transportation to and from the festival.

**Q. Will you charge an entry fee to the screening of my film?**

A. Some screenings will carry charges in order for the festival to pay the cost of hiring and staffing certain venues. However, to date all short film screenings have been made free to the public.
